

EXPLORING MEDICAL MISSIONS CONFERENCE

Hosted by the Institute for International Medicine, Research Medical Center & UMKC School of Medicine E. Gray Dimond International Medicine Program.

May 11-12, 2007

Held at the University Center

on the Main Campus of the University of Missouri-Kansas City
5100 Rockhill Road, Kansas City, MO 64110-2499

OBJECTIVES::

- Understand how to manage HIV in resource-deficient situations
- Describe the greatest world health issues
- Understand the management of diseases of poverty
- Understand principles of cross-cultural skills
- Describe health interventions that are most appropriate for resource-poor nations
- Understand how to incorporate medical missions into professional practice

KEYNOTE SPEAKERS::

Patrick Railey

Bruce Banwart

Patrick Railey, MD, is Director of Medical Ministries for **Operation Mobilization**, and is a leader in HIV prevention and prophylaxis.

Bruce Banwart, MD, is an intensivist at **Children's Mercy Hospital** in Kansas City and provides medical services in Latin America and Thailand.

Scott Armistead, MD, practices in **Pakistan with TEAM**, and provided emergency medical care post Pakistan Earthquake in 2005.

Daniel Hinthorn, MD, is the **Chief of Infectious Diseases** at KU Medical Center, and is on the Board of Scientific Counselors.

Cindy Obenhaus, RN, is a neonatal nurse and **director of the Maison de Naissance in Haiti**.

Ted Higgins, MD, is a **general and vascular surgeon** and provides surgical care in the **Dominica Republic**.

CME CREDIT::

This Conference is accredited by Research Medical Center's Bixby Institute to award participants for up to 13 hours of Category 1 CME credit. Up to 9.75 Nursing CEU's are provided through HCA Midwest Division. Pharmacy, Dentistry, EMT and paramedic CEU credit is also available.

COST & REGISTRATION::

Participants will receive admission to the conference, handouts of the presentations, lunches, and a certificate of attendance. To register, please go on-line to www.inmed.us, and click the Conference link.
